**5. CUSTOMER ACKNOWLEDGEMENT**

We confirm that waste from this site is inert and uncontaminated. The waste does not contain any material in sufficient quantity that would make it likely to cause pollution to the environment or to represent a hazard to human health. We accept that the waste may be subject to further inspection by the recipient including testing if deemed necessary. We also accept that the recipient reserves the right to reject any or all of the material at its sole discretion and that if rejected, it will be re-loaded and removed from the site by the customer at their own expense.
